

NT Series Softener

- *Clear Water*
- *Reduced Staining*
- *Sparkling Dishes*
- *Cleaner Laundry*

NT Series units are designed to remove tannic acid, “ice tea” color from your water. Hardness is eliminated and iron greatly reduced.

- **Regeneration with merely salt.** No costly or dangerous chemicals required.
- **Inexpensive.** One unit does the work of three. Softener reduces iron and removes color.
- **Low maintenance.** Occasional salt replenishment is required.

NOTE: Shown above with optional sweat jacket

Model Number	Mixed Bed Media Volume	Hardness Capacity (grains)	Type of Regeneration	Service Flow Rate (gpm)	Dimensions (Inches)			Pipe Size
