

INTX Series

Water Softener

- Bottom Line Savings
- Cleaner Laundry
- Improved Dining
- Plumbing Protection
- Sparkling Dishes

- **Capable of Reducing Iron.** High capacity resin may eliminate need for an iron filter, when ferrous iron is present.
- **Space Saving Design.** Small footprint only 12" x 25".
- **Non-Corrosive Construction.** All components are made of fiberglass, stainless steel, or similar materials to provide years of service without rust or corrosion.
- **Modular Design.** Provides quick serving of the control. No bolts or screws means most repairs can be done without tools.
- **Adjustable Operation.** Programming can be adjusted to handle your water conditions.
